The MI band and strip heaters shown on the Duratherm website are manufactured by the Duratherm sister company Dynatemp which is located in Frederic, Wisconsin. All Dynatemp sales, engineering and accounting functions are done at the Duratherm facility in St. Charles, IL.

MI Band and Strip orders should be made out to Dynatemp and can be emailed to walt@duratherm.com or faxed to the Duratherm fax number 630-443-9775.

Note that invoices also reflect the Dynatemp name and payments must be made out to Dynatemp and sent to the address below.

Dynatemp
3720 Stern Ave.
St. Charles IL 60174

Dynatemp / Duratherm
Phone 630-443-9772
We are currently making all of the M.I. Bands in only the sealed configuration.
